

ME 4 Clip-On Microphone

Small, universal clip-on microphone designed especially for speech in noisy environments. Its consistent pick-up pattern (cardioid) ensures high feedback rejection. The lightweight fastener on this subtly designed microphone with a matte black surface makes it easy to handle.

Mini jack plug for bodypack transmitters from the ew G3, ew G4 and XS Wireless series.

FEATURES

- High speech intelligibility
- High feedback rejection
- Easy attachment on clothing
- Mini jack for bodypack transmitters from evolution wireless series and XS Wireless

PRODUCT VARIANTS
